

Stage 2

The Co-Creation Leader

Stage 2 is specifically designed to develop and expand leaders' capacity to influence and inspire their teams to **deliver business results faster**. The uniqueness of The Co-Creation Leader is its primary focus on developing 10/10/10 leaders.

- ✓ 10 for Self-Mastery
- ✓ 10 for Leadership
- ✓ 10 for Results

During this stage, every leader develops a clear Leadership Excellence Plan for each of the three areas that is directly related to the organization's strategic objectives. Every aspect of The Co-Creation Leader is then geared towards executing the plan.

KEY OUTCOMES

- A stronger focus and drive to deliver excellence
- A clear and comprehensive leadership plan
- Highly engaged leaders who are aligned, focused and committed to your company's vision and values
- Increased capacity to innovate and deal with challenges
- Improved communication and collaboration amongst the leadership team
- A leadership excellence mindset
- Greater competence to influence and inspire their teams
- Higher levels of engagement, commitment, and accountability

KEY FOCUS AREAS

- The 14 Levels of Awareness and how they shape the leader's capacity to influence and inspire others
- Developing and executing a Leadership Excellence Plan
- Increasing resilience to deal with change and complexity
- Dealing effectively with challenging situations
- Developing team members to become more innovative and accountable
- Working more collaboratively with peers
- Taking responsibility for actions and results
